
We're excited to have you join us for the upcoming webinar entitled
UnMask Your Authentic Career Path

Thank you for taking this important first step towards finding your career path. During the webinar, our intention is to share a new perspective on career transitions, offer you tips and inspiration for creating your plan, and provide you with the best resources to support you in finding your authentic career! To get you started right away, we suggest you take a few minutes to reflect on these questions prior to the webinar. At the online event, you'll have an opportunity to ask questions and explore ideas and when you come prepared with your thoughts, we can be ready to help you!

Discovery Worksheet: These questions will help you get started on your path.

1. What do you most want out of a career that you don't have now? Be as specific as possible.

2. What aspects of your current job or past jobs have you enjoyed the most?

3. What would your life look like and feel like if you were doing work that was fulfilling and expressed your natural gifts and talents? For example, do you work with people or alone? Think about the environment you thrive in; how would you describe that? How much money do you earn?

4. What question about finding an authentic career would you like to ask us during the webinar? (You will also have an opportunity to send this to us via the live chat.)

Get ready to UnMask yourself! We look forward to being your Guides on this journey.
